José Alejandro Torres is a partner at Posse Herrera Ruiz. He is the head of the Infrastructure and Public Law area. His practice focuses on Infrastructure and Public Law as well as Mergers and Acquisitions, Corporate Law, Real Estate Structures and Compliance.

José Alejandro has experience representing several local and international clients in corporate, mergers and acquisitions, financial structures and foreign investment matters. He has specific experience in the design, structuring and development of real estate projects including shipping centers, hotels and resorts, agricultural projects and housing developments, among others.

Furthermore, he has advised clients in the design, writing and implementation of corporate compliance manuals and policies and conducting internal investigations for clients related to these matters.
